HAPPY BIRTHDAY AMERICA!

We're kicking off the first week of July with a Party for the USA! We'll be learning all about America and have our very own Olympics Day! Our learning doesn't stop in the summer; it's just disguised as FUN!

As summer temperatures continue to rise, please remember that we go outside most every day (weather permitting). Appropriate clothing & shoes are very important for a child's safety. Also if you've not supplied sunscreen and completed a sunscreen form, please see your Director. Safety First!

CONGRATS GRADUATES!

At the end of this month, we'll celebrate our Shooting Stars graduates! We're going to miss them so much when they head off to Kindergarten but we are so super excited for them too! Be on the lookout for more graduation details at your Academy!
